4 March 2014

Today, e2v aerospace and defense (a&d) announces the appointment of Jorge L. Torres-Cartagena as VP of Business Development, RF power solutions.

Robert Brevelle, President of e2v a&d commented “Jorge comes to e2v a&d with a long history of business development positions at a number of prestigious, multinational corporations. In this new role he will identify new product applications and product development opportunities for the America’s market. He will also develop specific marketing plans and activities for the e2v a&d RF power solutions product lines to establish, enhance or distinguish product placement within the competitive arena.”

Mr. Torres-Cartagena joins e2v a&d with extensive experience in the military and defence industry having spent 23 years serving in the US Army as well as holding senior management positions at DRS, Harris and Wave Science.
